

EMBALAKAI AUTHENTIC CAMP

The luxury tents are set up to provide the ultimate comfort. Each luxury tent has its own solar unit which provides electricity for the lights, plug sockets (you can charge phones, laptops, cameras etc.) and hot water. The inside bathroom facilities include a private hot shower and a western toilet.

We are proud to provide a range of ecofriendly and biodegradable toiletries that are sourced from Inaya which is a local Tanzanian company based in Zanzibar that supports local women.

Each luxury tent is fitted with a dresser and mirror, a small cupboard with clothes hanging space as well as storage. trunk. The bedding is high quality 100% cotton sheets as well as a blanket and duvet for the cooler evenings. Each tent has an outside platform with seating and a table which is perfect for listening to the birds sing or catching up while writing your journal. A walkie talkie system is in place, so that you can contact the team at any time.

Embalakai Camp has 13 spacious tents which can be set up for single, double, triple or family occupancy. They can host groups of up to 30 people and have netted bedding available for babies (on request). Our rooms are set up to provide the ultimate comfort for our clients.
